FAQ

Returning to Wolfe Hall for In-Person Meetings

Updated 9/12/2022

Will I need to wear a mask and present proof of vaccination to attend in-person meetings at Wolfe Hall in Providence United Methodist Church?

No. Beginning with the September 9, 2022 meeting, wearing of masks will be optional. Also, proof of vaccination will not be required for members or guests although we encourage all persons to be vaccinated. Chairs in Wolfe Hall may be moved to allow for social distancing.

If you have been recently diagnosed with COVID, are ill, experiencing COVID symptoms or have been exposed in the last five days to a person suffering from COVID, we ask that you stay home and attend by Zoom.

We suggest as well that before attending an in-person meeting you consult with your healthcare professional.

Will I need to register in advance and present a ticket to attend in-person meetings at Wolfe Hall?

No. Members must present a 2022 Membership Card at the entrance to Wolfe Hall and guests must check-in at the Membership Desk.

What is Hybrid?

Hybrid means our Senior Scholars speaker presentations are once again live in Wolfe Hall AND being streamed to your home via Zoom. As always, when the speaker gives permission, recorded speaker presentations are available on the website to review at your own convenience.

I have lost my nametag? How can I obtain a replacement?

You can order a new nametag at [Replacement Nametag](#) for a \$10 fee. The nametag will be mailed to you without the magnet because of US Post Office regulations. When you next attend a meeting, you can pick up your magnet at the Membership Desk.
